## Notes & Details

Ensure your walk-in, storage area, or warehouse stays organized with this Regency 60" x 24" x 12" black plastic extra heavy-duty dunnage rack with slotted top. This dunnage rack is a great way to ensure your establishment maintains an orderly storage system. This heavy-duty rack is constructed of durable polyethylene that won't crack, chip, rust, bend, or break, and it offers smooth edges to reduce the chance that your bags and products will rip or tear open. Plus, the 12" height meets HACCP food storage requirements!

Because it is made from plastic, this rack is also suitable for both dry and cold storage areas. It even offers antimicrobial protection. Open ends allow easy cleaning beneath while the slotted top allows optimal air circulation so that your ingredients match the temperature of the room they're placed in. This rack has an ample 3000 lb. capacity so it can hold a variety of heavy items. The sturdy legs ensure stable storage and best of all, this rack is pallet jack and forklift compatible to make moving and rotating storage exceptionally easy. This heavy-duty dunnage rack ships fully assembled so you can use it right away!
