

Premium Cherry Fruit Filling or Topping - 116 oz.

A heat processed blend of red tart pitted cherries and other ingredients that can be used as a pie filling or as the fruit component in other desserts. Fresh or frozen cherries are inspected and filled into washed containers. The remaining ingredients are added as an aqueous blend by means of a prevacuimizing syrupe. After closure under vacuum, the product is processed in an agitating cooker and then cooled with agitation in chlorinated cold water.
