\* The % Daily Value (DV) tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.

**Description:** These pretzels aren't called "Specials" for nothing. We have been baking Specials for 58 years. They were first called "Butters". The recipe has not changed much in all those years. If you like pretzels with a delightful crunch, exceptional flavor, and just the right saltiness, these pretzels are for you.
