

932397 - MCCORMICK CULINARY ONIONS POWDER 5.5 LB

McCormick Culinary® Onion Powder brings oniony flavor in a dehydrated, ground format:

- McCormick Culinary Onion Powder provides the high-intensity flavor of fresh onion with one tablespoon equal to the flavor of one medium sized onion.
- Sourced especially for chefs, McCormick Culinary Onion Powder is made from real onions carefully ground into fine, uniform powder.
- McCormick Culinary Onion Powder is kosher with no MSG added.
- Our global sourcing enables unparalleled control and understanding of our supply chain, ensuring every product delivers a pure and consistent flavor.
- There are 3/5.5 lb. containers in a case. Our 5.5 lb. containers are great to keep back of house to use as much as needed or to dispense into smaller containers for easy customization.
- McCormick Culinary Onion Powder works well in place of fresh onion, especially in sauces, gravies, soups, dips, or use to season your favorite meats.

Brand: McCormick®

Preparation and Cooking

No preparation necessary. McCormick Culinary® Onion Powder is ready to use for convenient, high-quality onion flavor. Large top opening allows you to use measuring spoons to easily dispensing as little or as much as you desire.

Serving Suggestions

McCormick Culinary® Onion Powder adds sweet and savory flavor to:

- Home style chili and beans with smoked sausages
- House-made onion style potato chips seasoned with onion powder, garlic powder, crushed red pepper flakes, sea salt and olive oil
- Beer batter mix seasoned with onion powder, smoked paprika, garlic powder, fresh black pepper and buttermilk for made-from-scratch onion rings with pretzel bun pub burgers
- Middle Eastern Kuku frittatas with zucchini, feta and turmeric

Packaging and Storage

McCormick Culinary® Onion Powder has a shelf life of 720 days when stored tightly closed in a cool, dry place to protect against flavor loss and moisture. Avoid exposure to heat, humidity, direct sunlight and fluorescent light to maintain flavor and color. Always use dry measuring spoons and cups to ensure optimal product integrity.
