MAYONESA (MAYONNAISE) WITH LIME
JUICE 62.5 OZ

McCormick Mayonesa (Mayonnaise) with Lime Juice is made in Mexico and enjoyed by all for the taste that it brings to tacos, tamales, burritos, and quesadillas. You can spread Mayonnaise on sandwich favorites like roast turkey, grilled chicken, ham cheese, roast beef, burgers, and even pulled pork. It can do everything regular mayo does but with an extra zing of lime juice. Stir into potato salad, tuna salad, or chicken salad to add a unique flavor. It even makes a cool and zesty spread for corn- on-the-cob straight off the grill. Pongale lo sabroso!
