Product Shipping Policy:	Land O'Lakes products are coded with an Expiration Date. Land O'Lakes guarantees a minimum of 60 days of freshness from the date of shipment from Land O'Lakes warehouse facilities when product is handled and stored as recommended.																																																																																	
Food Safety:	Land O'Lakes, Inc. regards Hazard Analysis Critical Control Points (HACCP) as the cornerstone of a food safety system. HACCP focuses on food safety by analysis and control of potential biological, chemical, and physical hazards. An internationally recognized system that is required by many customers, HACCP has been mandated for some industries by the FDA and USDA. All Land O'Lakes, Inc. Dairy Foods manufacturing facilities have targeted assessment programs for HACCP. In addition, Land O'Lakes, Inc. provides corporate guidance, oversight and assesses compliance of the systems.																																																																																	
Quality Assurance:	Land O'Lakes maintains a quality assurance program that ensures the quality of all raw materials, process operating conditions, and finished product requirements. Please note that all information contained within this document is subject to change.
