

Our non-alcoholic CALI AMARO is inspired by the sunshine, citrus trees and the diverse cultures that make LA LA.

Sip straight over ice, add a splash of sparkling water or tonic, or use as a base for more complex cocktails.

Made with organic botanicals including **orange, pink grapefruit, mandarin, bay laurel, and wormwood.**

Tastes citrusy, woody, and deeply bitter.

You'll love this if you love proper amari, negronis, and LA, despite the traffic.
