

Earl Grey with Lavender (Loose Leaf)

Description:

Earl Grey with Lavender (Loose Leaf) combines our full-bodied organic black tea with natural oil of bergamot and French lavender petals.

Taste:

Davidson's Earl Grey with Lavender (Loose Leaf) is both deeply layered and delightfully citrusy with a soothing, floral finish.

Origin:

Davidson's organic black tea is sourced from family tea gardens in the Darjeeling and Assam regions of India. Here's an image of the landscape at the Samabeong Tea Estate, which always reminds us to take the road less traveled. This mantra has led to our offering of highly unique blends, like Earl Grey with Lavender.
