

Tropical Green (Loose Leaf)

Description:

Tropical Green (Loose Leaf) combines tropical essence and chamomile flower with a base of pure green tea.

Taste:

Davidson's Tropical Green (Loose Leaf) is a bright, refreshing brew with strong tropical fruit and citrus flavor.

Origin:

Davidson's sources its organic green teas from family tea gardens in India, as well as organic suppliers in China. Davidson's co-owner, Kunall Patel, takes the time to visit our Chinese suppliers often to understand their cultivation practices. Here a small farmer presents a handful of freshly plucked tea leaves to Kunall.

Ingredients:

Organic green tea, organic chamomile, organic carob, natural flavor, organic calendula flower, and organic safflower.

Brewing:

1. Heat fresh, filtered water just short of the boiling point.
2. Add 2 grams of tea to a infuser, or straight into an 8-oz. mug.
3. Pour the heated water into the mug.
4. Steep for 2-3 minutes.
5. Strain tea leaves, or take out the infuser.
6. Sip and enjoy Davidson's organic tea.
