

Imperial Green (Loose Leaf)

Description:

Imperial Green (Loose Leaf) is an antioxidant-rich, pure green tea.

Taste:

Davidson's Imperial Green (Loose Leaf) offers a light flavor profile with a crisp finish.

Origin:

Davidson's Imperial Green is sourced from family tea farms in India. During a recent visit, Davidson's co-owner, Kunall Patel, captured this image of a small farmer balancing her plucking basket with a strap on her head as she works among the tea plants.

Ingredients:

Organic green tea.

Brewing:

1. Heat fresh, filtered water just short of the boiling point.
2. Add 2 grams of tea to a infuser, or straight into an 8-oz. mug.
3. Pour the heated water into the mug.
4. Steep for 2-3 minutes.
5. Strain tea leaves, or take out the infuser.
6. Sip and enjoy Davidson's organic tea.
