

This statement serves to confirm that all products produced by SNDK Holdings, Inc (AKA Macaron Centrale) are made exclusively with gluten-free ingredients and are prepared in a commercial kitchen that does not carry or handle any gluten-containing items.

At SNDK Holdings, Inc, we prioritize the safety and dietary preferences of our customers, especially those with celiac disease or gluten sensitivities.

To ensure the integrity of our gluten-free products, we adhere to the following practices:

Ingredients: We use only gluten-free ingredients in the production of our products. These ingredients are sourced from reputable suppliers and are verified to be gluten-free.

Dedicated Kitchen: Our commercial kitchen is free from gluten-containing items. We have implemented strict measures to prevent cross-contamination, including separate storage, preparation areas, and equipment for gluten-free production.

Staff Training: Our kitchen staff is trained in gluten-free food handling practices. This includes rigorous cleaning and sanitation procedures to eliminate any potential contact with gluten.

We are committed to maintaining transparency about our gluten-free practices and the safety of our products. This statement is provided to assure our customers that our gluten-free products are prepared in an environment that eliminates the risk of gluten contamination.

For any inquiries or additional information regarding our gluten-free products, please feel free to contact us at admin@macaroncentrale.com.
