

# Vineyard Series Portable Bar

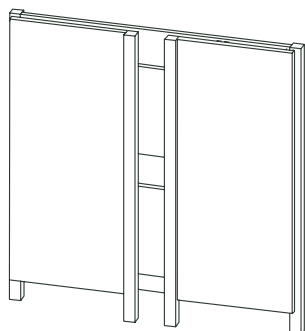

## ASSEMBLY INSTRUCTIONS

**LANCASTER™**  
TABLE & SEATING

### PARTS

**A** Bar Base

**B** Bar Top

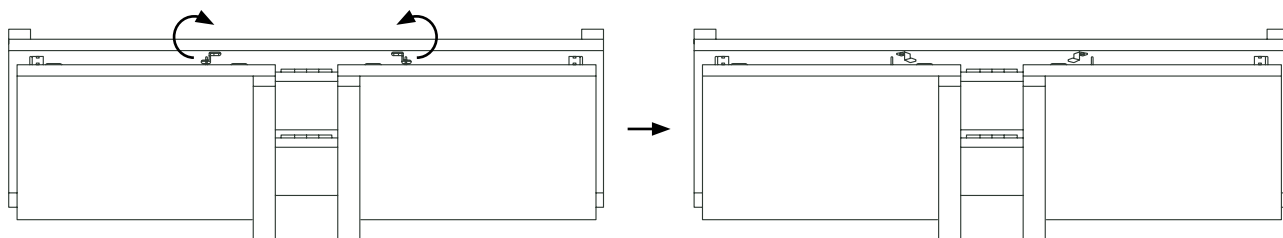

### NOTES

This portable bar ships in two pieces: the bar base and the bar top. The bar base comes with the sides and shelves folded in.

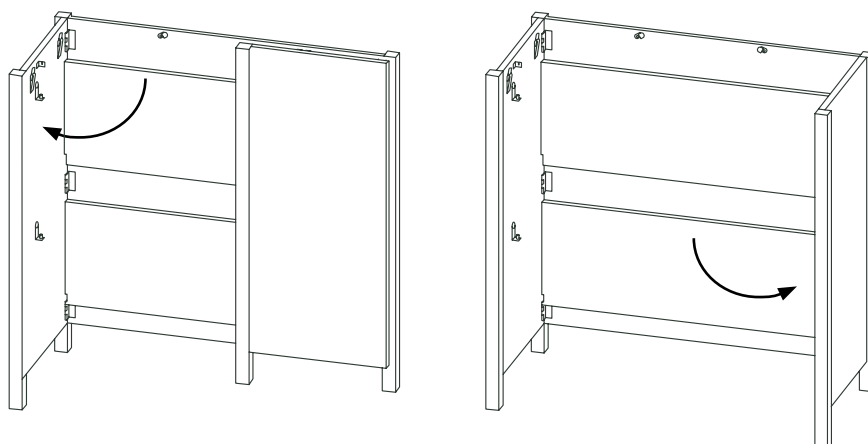

### STEP 1

Rotate the (2) side plate fasteners at the top of the unit to release the side plates.

### STEP 2

Swing the side plates open and stand the unit upright as shown.

## ASSEMBLY INSTRUCTIONS

**LANCASTER™**  
TABLE & SEATING

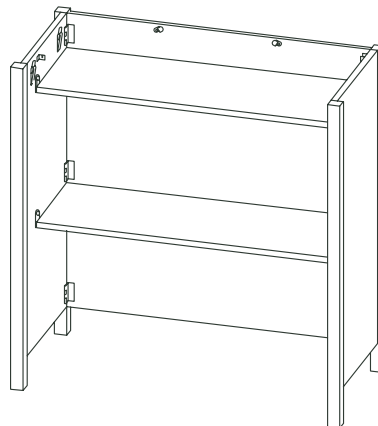

### STEP 3

To swing the upper shelf into place, first rotate the (2) top L-shaped brackets on the inside of each side plate so that the pegs face down. Then, swing the upper shelf into position and rotate the (2) top L-shaped brackets back into place with the pegs facing up. The pegs should fit into the corresponding holes on the underside of the upper shelf to secure it in place.

### STEP 4

Repeat Step 3 with the (2) bottom L-shaped brackets and the lower shelf.

TABLE & SEATING

### STEP 5

Position the bar top as shown. Align the (4) connectors on the underside of the bar top with the (4) connectors on the top of the side plates.

**Note:** There are two connectors on each side plate.

### STEP 6

Lock all connectors to secure the bar top in place.  
Assembly complete.
