

CATER GATOR®

INSULATED JOCKEY BOXES

EASILY SERVE YOUR SIGNATURE DRAFT BEER ANYWHERE

Perfect for beer festivals, fairs, tailgates, and other outdoor events, this convenient mobile draft beer system doesn't require any electrical power to function and is an ideal alternative to a hard-to-transport outdoor kegerator.

FEATURES

Reliable Durability The rigid, white exterior provides extreme durability. The unit features a layer of high-density polyethylene to make it virtually indestructible.

Insulated Design This unit boasts a triple insulated design to ensure everything remains cold, perfect for any gathering or occasion!

Stainless Steel Coils The unit comes equipped with stainless steel coils designed to keep your beer extra cold while dispensing to ensure optimal taste.

Continous Pouring The coils in your jockey box ensure optimal pouring length and is great for handling continous pouring at large events.

Easy Setup The 3/8" line connection makes setting up your jockey box easy and convenient.

Drain The unit features a drain on the side allowing for quick and easy cleanup.

Easy Transport The unit features easy-to-grip handles to provide effortless transportation from destination to destination.

Versatile Lid The lid delivers exceptional versatility, with a ruler engraved along its side, 2 built in cup holders, and 2 bottle openers.

Model #	Dimensions	# of Faucets	Coils	Ruler Length
