# SETUP & USAGE

---

## BATTERY INSTALLATION & POWER SUPPLY

- The scale can be powered with (2) “AAA” batteries or an external power supply.  
**Note:** Batteries and power supply can be used at the same time. If used simultaneously, the external power supply will be prioritized. The power supply will not charge the batteries.

## POWER ON

- Place the scale on a hard, flat, and level surface.
- Press the **POWER** key to power it on.  
It will display “-188888”, then “0.000lb.”

## NORMAL WEIGHING

- Place the object on the center of the platform.  
The scale will display the weight of the object when reading is stable.
- Press the **UNIT** key to switch between metric and imperial units.

## TARE FUNCTION

- Place an item on the scale and wait for a stable weight.
- Press the **TARE** key to zero out the weight of the item.

## HOLD FUNCTION

- Press the **HOLD** key to keep the current weight of the object on the scale. The weight will remain displayed for 10 seconds or press the **HOLD** key again to stop holding.
- To turn the hold function off: Press and hold the **TARE** and **HOLD** keys until “H-ON” displays, then press the **HOLD** key to toggle between “H-ON” & “H-OFF”. Press the **TARE** key to confirm your selection.

## POWER OFF

- When the scale is powered by batteries, it turns off automatically after (5) minutes of inactivity.
- To turn the auto-off function off when using batteries: Press and hold the **TARE** and **UNIT** keys until “A-ON” displays, then press the **UNIT** key to toggle between “A-ON” & “A-OFF”. Press the **TARE** key to confirm your selection.
- When the scale is powered by an adapter, press the **POWER** key to power it off.

# CLEANING & STORAGE

---

- Dampen a cloth with a mild soap solution to clean the scale
- Do not use any harsh chemical cleaners.
- Do not wash down or immerse the scale. Any liquid inside the scale can cause permanent damage.
- Remove batteries from the scale when it will not be used for an extended period of time.

**NOTE: Save these instructions for future reference.**
