Wanzl 4-Way Merchandiser

Promotes impulse sales and maximizes merchandising opportunities for retailers with limited space.

- Can be merchandised with shelves, peg hooks or a combination of the two on each back panel
- Shelves can be merchandised flat or slanted for gravity fed merchandising
- Center column has internal storage for hooks, label holders, and scan tags
- Comes in Metallic Anthracite
- Locking caster system—easy mobility for store installation, maintenance and reconfiguration
- Caster system hidden by solid bottom deck
- Footprint: 38.5"L x 38.5"W x 52.65"H
- Shipping KD(one pallet per unit) simplifies assembly and maximizes freight efficiency
