

Overshelf

Assembly Instructions

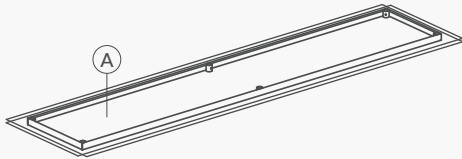

PARTS:

- | | |
|-------------------|------------------------|
| (A) (1) Top Shelf | (D) (2) L-Brackets |
| (B) (6) Legs | (E) (1) Middle Bracket |
| (C) (1) Mid-Shelf | (F) (18) Set Screws |

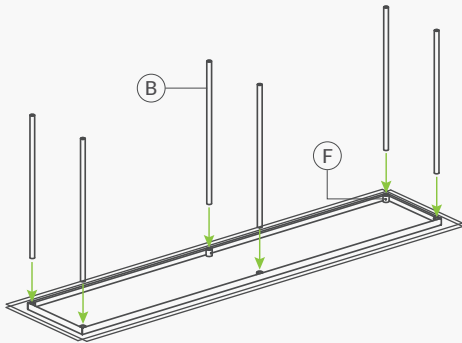

Assembly Instructions

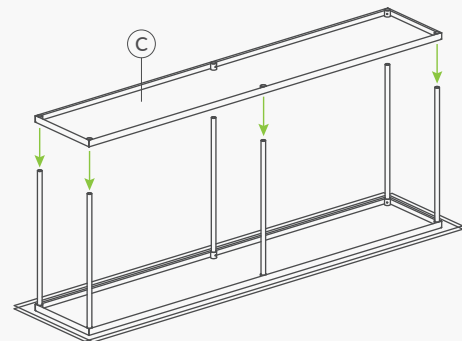

1. Place the top shelf (A) upside down on a surface that won't scratch it.

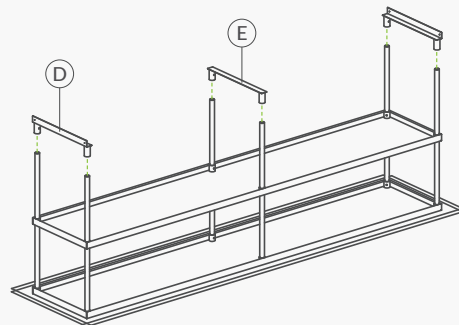

2. Secure the six legs (B) into the top shelf gussets using an Allen wrench and the provided set screws (F). You may need to loosen a set screw if one struggles to go in.

3. Slide the midshelf (C) into place and secure it using the set screws (F).

4. Secure the two L-brackets (D) and middle bracket (E) to the bottom of the legs with the set screws (F).

5. Align the overshelf to the back of the table to be mounted. Ensure the L-brackets are aligned properly and pre-drill holes through the side of the tabletop for screws. Screw L-brackets into the table (screws not included).
