

## Allergen Report

**Product Name: Preserve-It Artificial**

**Item Number 6060**

| <u>Allergen</u>              | <u>In the Product</u> | <u>On the Same Line</u> | <u>In the Facility</u> |
|------------------------------|-----------------------|-------------------------|------------------------|
| Milk                         | No                    | Yes                     | Yes                    |
| Egg                          | No                    | No                      | Yes                    |
| Soy                          | No                    | Yes                     | Yes                    |
| Peanuts                      | No                    | Yes                     | Yes                    |
| Tree Nuts                    | No                    | No                      | No                     |
| Wheat or Triticale           | No                    | No                      | No                     |
| Fish                         | No                    | No                      | No                     |
| Shellfish (Crustacean)       | No                    | No                      | No                     |
| Sesame Seeds                 | No                    | No                      | No                     |
| Mustard                      | No                    | No                      | No                     |
| Sulphites                    | No                    | No                      | No                     |
| Latex (Gloves, Tubing, etc.) | No                    | No                      | No                     |

*This list does not cover all known allergens; only the major allergens. If other potential allergens are of a concern, please specify them. We are aware of the serious potential for cross-contamination of allergenic materials in the manufacture of our products. Please note that we follow FDA Current Good Manufacturing Practices (GMPc) and have implemented a Hazard Analysis and Critical Point (HACCP) plan. All allergenic materials are clearly labeled and all Lorann production personnel are trained in the proper handling of these materials.*
