

# Standard Height Table

## ASSEMBLY INSTRUCTIONS

LANCASTER™  
TABLE & SEATING

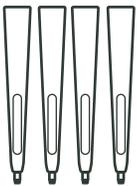

### ALLOY Series

#### PARTS LIST

##### A Table Top

##### B (4) Table Legs

#### HARDWARE

##### C M6 Allen Key

##### D (16) M6x12 Screws

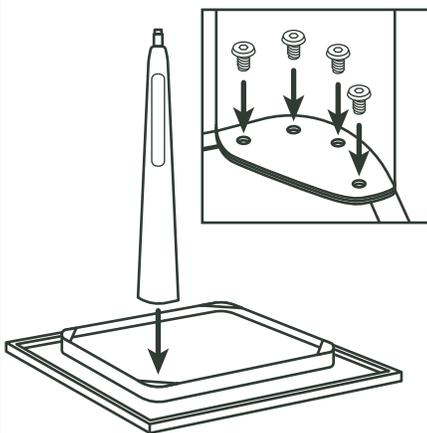

#### NOTES

- Inspect all pieces for damage before assembly. Do not assemble if any pieces are broken or damaged. Ensure you have all required pieces before assembly.
- Power drill is optional for assembly.
- Graphics of images are shown with a square table top, but assembly is the same for all table top shapes (rectangular, square, and round).

#### STEP 1

Place table top (A) upside down on a flat, clean surface.

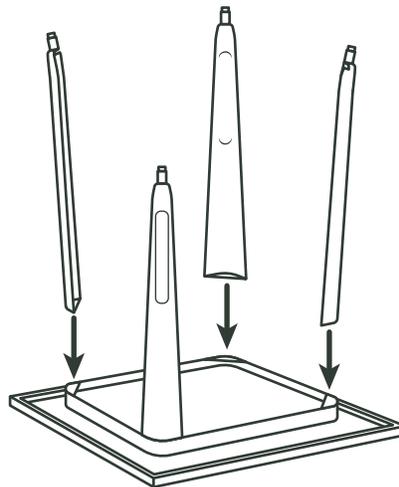

Attach one table leg (B) to the corner of the table top (A). Hold the leg against the corner and find the 4 threaded holes on the table top. Use (4) M6x12 screws (D) to secure the leg to the table top using the provided allen key (C).

#### STEP 2

Repeat the previous step for the remaining three legs.

Fully tighten all screws.

#### STEP 3

Stand the table upright and ensure it is stable and level.
