## Allergen Statement

There are 9 major allergens:

1. Milk
2. Eggs
3. Fish
4. Shellfish
5. Soy
6. Wheat
7. Peanuts
8. Tree Nuts (Walnuts, Cashews, Almonds, Pistachios, Pecans, Brazil Nuts, Macadamias, Hazelnuts)
9. Sesame

Two allergen groups are processed at the manufacturing facility we partner with to produce our Tree Nut Butters: Tree Nuts and Peanuts.

The manufacturing facility has a documented Allergen Control Program to prevent cross contamination between the different nuts. The Allergen Control Program is a part of the audited Food Safety program. The manufacturing facility complies in all respects with the Federal Food Allergen Labeling and Consumer Protection Act of 2004. These products are manufactured under sanitary conditions and in accordance with Current Good Manufacturing Practice regulations.
