

THE UPTON COLLECTION

In today's world where we eat with our eyes, visual display is key. Enter the Upton Collection: A mix of espresso-finished wood display items perfectly paired with crystal clear domes. The result is a head-turning, rich display sure to catch customer attention.

Upton Collection Plates

Handcrafted, espresso-finished wood plates and platters are perfectly rimmed to frame any menu option. From baked goods to cheese plates, these wood boards will complement any food pairing.
