38000 Series™

STEEL DESKS

AMERICA'S BEST SELLING STEEL DESK

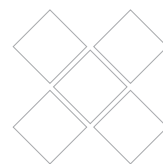

EXCEPTIONAL DURABILITY

The steel construction of the 38000 Series allows it to stand up to heavy use and frequent relocation. So no matter how your business grows and changes, this desk can move right along with you. Pedestals feature Tru-Fit mitered drawer fronts for precision alignment when closed. And to help keep you organized, we've outfitted 38000 Series desks with integrated wire management and optional power hubs. Less mess means more space for great ideas.

PRECISELY SAVVY

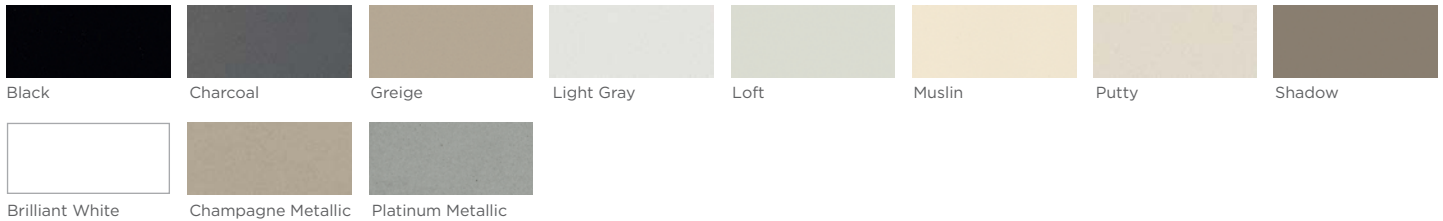

Rugged good looks. Precision engineering. Best-in-class construction. This modular collection blends designer touches with useful details like cord-management. Which makes 38000 Series the ideal desk solution for any organization seeking premium performance for a moderate price.

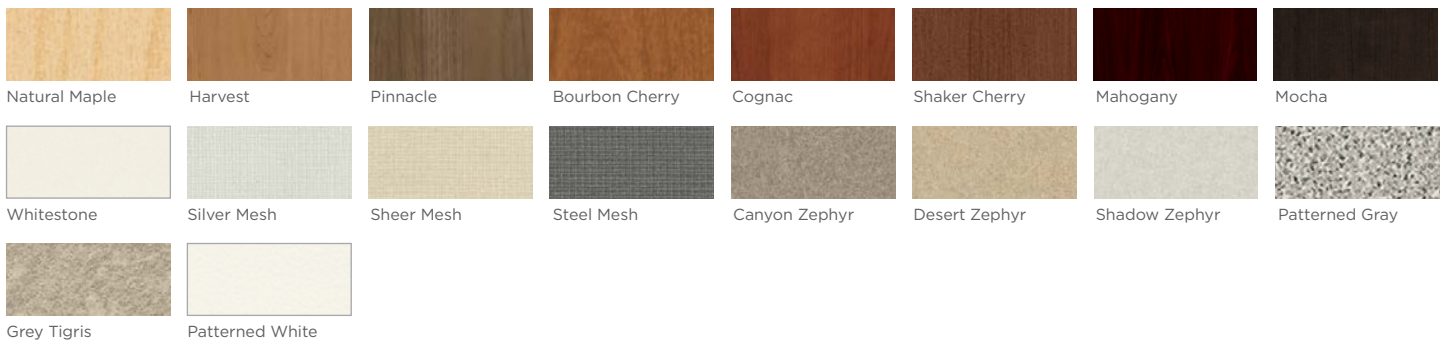

DESIGNER LOOKS AND STURDY CONSTRUCTION.

You can have an upscale look at a practical price. Our popular 38000 Series combines your choice of easy-care laminate top with sturdy steel body for a complete desk solution that's both attractive and durable.

PAINTS

LAMINATES

A. DIRECTIONAL™ DESKTOP SIT-TO-STAND

Turn any worksurface into a sit-to-stand workstation to encourage activity and promote movement.

B. PENINSULA WORKSTATION

Use a Peninsula to create an "L" configuration when paired with a Return or a "U" configuration with a Bridge, Credenza and Desk or Corner Unit.

C. STACK-ON STORAGE

Add Stack-On Storage units to a Credenza or "L" Workstation for additional storage. Available with or without Flipper Doors.

D-G. BRIGADE® STORAGE

Add a Brigade File/File or Box/Box/File pedestal to any 38000 Series desk or Return Shell for added storage. Brigade Bookcases can also be paired with 38000 Series for additional storage.

H. FEATURES

Smooth, flat edges provide a smart, clean appearance. Cord management grommets route and conceal wires and cables to reduce desktop clutter. Ball bearing drawer slides help ensure a lifetime of satisfaction.
