

72 X 48 MOBILE DOUBLE SIDED MUSIC WHITEBOARD

Optimize your musical notation within the classroom with our 72" x 48" Mobile Double Sided Music Whiteboard. Students and teachers can easily flip the rolling whiteboard to maximize the use of the ten total staff sets. After each turn of the board, simply lock the musical transcription into place with the board clip and then tighten the knobs. The convenience of the magnetic dual sides, adjacent marker tray, and portable nature makes this dry-erase board a necessity in every music room!

MB7248MM

Features:

- Eliminate the hassle of redrawing staff lines; music staff lines are permanently printed and UV resistant
- Double-sided feature provides the option for students to work simultaneously
- Five sets of music staff lines on both sides give ample space for notation and composition
- Board mobility allows for a flexible lesson plan and multi-classroom use
- Hang assignments and class updates on the magnetized board
- Use full-length tray to store markers and erasers
