

H100 SAFETY HARNESSES FOR ESSENTIAL FALL PROTECTION

Designed to meet the most common
fall protection needs

Honeywell
MILLER

H100

The H100 series is Honeywell's cost-effective, quality, construction, and general industry compliant harness designed to meet the most common fall protection needs.

The Honeywell Miller® H100 series has been designed around a simple concept: provide a fundamental fall protection line with exceptional value. The new H100 series was assembled to meet the most common fall protection needs while maintaining a focus on value and safety.

H100 HARNESS FEATURES

- Honeywell Miller branded: Built with our legendary quality and reliability
- Lightweight: More comfortable
- Five points of adjustment for a custom fit
- Covered identification labels: Protects labels during the life of the harness
- New distinctive vibrant color webbing
- Cost-effective
