

7303LX

Ah

Air Hog™

AIR HOG™ VACUUM BOOSTER

Features a 7 gallon tank along with a pump-out.

The dual exclusive LX™ vacuums provide unmatched suction where it counts - at the cleaning surface.

The 7303LX Air Hog™ about to become an indispensable part of your cleaning arsenal. Its dual exclusive LX™ vacuum motors are 20-30% more powerful than comparable vacuums.

Not only does the Air Hog™ work great as a single or dual vac booster, it can also be used alongside the 7304 Water Hog™ Commercial Pressure Sprayer to create a complete modular setup that is unparalleled in power, mobility, and affordability.

Features:

- 7 gallon tank
- Dual exclusive LX™ vacuum motors, 225-250 CFM, 182" water lift
- Pumps out at 3.3 GPM
- Auto pump-out
- Circuit locator indicator light
- Weighs in at only 40 lbs.
