

Splash Denim

Collection

Timeless and durable, just like denim, the splash denim collection is an ideal tableware collection for anything from casual dining to modern cafes. The speciality of this collection lies in its aesthetic beauty of combining hues of blue denim on a glossy tableware collection.

With the right lighting, you can see the reactive glaze of this collection, which can elevate the visual appeal of your food. As a brand new addition to our family of splash collections, the splash denim is our best collection yet in this category.
