We provide domestic shortening that offers a creamier, more consistent texture, wider temperature range, and contains no tropical oils.

#### ALPINE SOY FLEX ICING

- Soybeans grown in the USA
- High volume, creamy icings
- Great for cream fillings and butter cream icings
- More consistency from cube-to cube

#### APLINE Z ICING

- Superior palm based icing shortening
- Great for decorator icings
- Formulated for higher volume, creamier icings

#### SUPER FRY SOY FLEX DONUT

- Soybeans grown in the USA
- For use in a wide variety of deep fat frying applications in bakeries and donut shops
- Works well over a wider temperature range

#### SUPER FRY Z DONUT SHORTENING

- Superior palm based donut frying shortening
- Especially formulated for heavy duty donut frying
- Long fry life and superior glaze retention

#### BUCKEYE SOY FLEX BAKERS MARGARINE

- Soybeans grown in the USA
- Superior roll-in margarine for cookies, pastries and fillings
- Rich butter flavor resists bake out

#### BUCKEYE FLEX BAKERS MARGARINE

- Superior palm based margarine
- Easier to work with over a wider temperature range
- Outstanding buttery flavor
- Excellent in sweet goods and Danish

#### BBS SOY FLEX ALL- PURPOSE

- Soybeans grown in the USA
- All-purpose un-emulsified shortening
- Variety of bakery applications such as cookies, pies and pound cakes
- Can also be used as a donut frying shortening

#### BBS FLEX ALL- PURPOSE

- Superior palm based all purpose shortening
- Non-CMO project verified
- Easier to work with over a wider temperature range
- Perfect for pound cakes, pies and cookies

#### HYMO SOY FLEX CAKE & ICING

- Soybeans grown in the USA
- High quality emulsified shortening
- Tender and tasty sweet dough
- Smooth, stable icings

#### HYMO Z CAKE & ICING SHORTENING

- Superior palm based emulsified cake and icing shortening
- Stable, smooth icings
- Moist tender cakes

#### BUCKEYE PUFF PASTRY MARGARINE

- Superior roll-in margarine for Danish pastries and fillings
- Rich butter flavor resists bake out
