

TAKING CENTER STAGE WITH STYLE

When combined with frames M and S, frame L creates a square (the same applies to frame M in combination with S and XS), thereby re-establishing symmetry.

As varied as your lunch buffet.

In temptation's way ... A buffet presented with SEQUENCE catches the eye and stimulates the palate. The striking shapes of the intelligent buffet concept and the multitude of ways in which the pieces can be arranged set entirely new benchmarks in food presentation. The innovative combination of trapezoid modules will channel a great sense of energy through your dining and reception rooms. As you would expect, all the individual items in the range are coordinated, which gives your staff great creative freedom when designing and combining table settings. The SEQUENCE collection will make your buffets and dinners an unforgettable experience!

breadbasket with fabric insert available in sizes S, M, L can be hung in the respective 2.8" or 3.9" frames.

Striking pieces for your evening buffet.

The SEQUENCE buffet concept is more than just a collection of its 40 or so parts. The selection of striking pieces in the range, with their fully modular design and exquisite materials, make it one of a kind. SEQUENCE will ensure that your dishes are presented in a unique and elegant way. Whether you're serving breakfast, lunch, afternoon tea or an evening buffet - the SEQUENCE collection is perfect for everyday dining and will never fail to impress. Innovative, versatile, unique.

melamine platforms available in two sizes to show off your culinary delights.

sequence

Sequence buffet kits make it easy to set up a style and functional presentation — morning, noon, and night.
