18 GAUGE HEAVY-DUTY CONSTRUCTION

BluSeal wall mounted hose reel is made of powder coated heavy-duty steel construction. The reel can be mounted parallel or perpendicular to a wall and can be set up for left or right hand orientation. BluSeal hose reel comes with a 6ft leader hose and solid rust free brass connection for longer use. The spring loaded tension brake controls the release of the hose for smooth and safe operation while the spring loaded locking pin allows to lock the drum in place once the desired hose length is reached.
