

Trimline™ Waste Containers and Lids

Built For Narrow Spaces

Outfit a narrow area with a space-saving accessory like TrimLine Waste Containers. These durable plastic containers are slim in shape and designed for narrow spaces between walls and appliances or near work benches. Choose between a swing top lid for hands-free operation or a handled lid for a traditional approach.

Features

Space Saving

Slim shape saves space by fitting into narrow spaces along walls and near work benches

Corner Tabs

Keep trash bags securely in place for spill-free, even filling

Base Helper Handles

Stabilize container while being lifted and emptied

Choice Of Lid Style

Swing top or handled

Available in recycling options with bottle or paper cutout lids

Self-venting for easier bag removal

Efficient transport reduces transportation time

Fits both sizes of TrimLine containers; also works with other slim-style trash cans

200 lb weight capacity

Custom imprinting available

Low profile design allows dolly and container to fit under standard foodservice counters
