

Country House

Like something fresh off the potter's wheel – that's how COUNTRY HOUSE works. The clearly visible "turning grooves" emphasize the handcrafted character and create a haptic experience when the bowls and dishes are handled. Appropriate for country style or can also serve as a contrast to the cool look of industrial style restaurants.

Durable and rugged

Bleak times for bacteria: the COUNTRY HOUSE glaze is extremely durable. This sets these hard porcelain items apart from their ceramic equivalents. The colors SEA and GRAY are the same as in the SCOPE GLOW collection, allowing these articles to be seamlessly combined.
