

Visually Stunning & Dishwasher-Safe

100% handcrafted in Spain from responsibly sourced marine-grade birch plywood, Maritime by De La Roca redefines the use of wood in commercial foodservice presentation. Designed to bring warmth and character to the tabletop, each piece offers a distinctive presentation solution that stands apart from traditional tabletop products. Lightweight yet exceptionally durable, Maritime features dishwasher-safe construction and a protective food-grade finish designed to withstand the demands of hospitality environments. From appetizers and entrées to cheeseboards and buffet displays, these handcrafted serving pieces elevate every culinary creation. Customizable shapes and branding options allow operators to create a presentation experience tailored to their unique identity.
