The Eccotemp SMARTHOME 4.0 Gallon Mini Tank Water Heater (ESH-4.0) is the most advanced mini water heater on the market. This SMARTHOME Mini Tank features smart button technology, voice commands, advanced diagnostics, live usage statistics, temperature presets, manual mode technology, and more. The ESH is the only mini tank that is compatible with other SMARTHOME technologies such as Google Assistant and Alexa. Download the Eccotemp SMARTHOME app on Google Play or Apple App Store to see all the amazing features.

Unlimited possibilities! The ESH-4.0 can supply hot water for up to two sinks or can be plumbed in series with your existing hot water system. Perfect for food trucks, hand washing stations, utility rooms, under sinks, in RV's, offices, and just about anywhere for instant, point-of-use hot water.
