

Simple & sanitary dispensing EZ-FIT® HOT LID DISPENSERS

The EZ-fix for simple & sanitary dispensing

Our EZ-Fit hot lid dispenser offers various benefits for quick service restaurants, convenience stores and food courts. Its four interchangeable rubber gaskets fit a wide variety of lid shapes and sizes—the one-at-a-time dispensing safeguard lids from contamination. Customers only touch a small portion of the lid that sticks out. Easy to use and simple to operate, the EZ-Fit® hot lid dispenser is your set it and forget it solution.

Features & Benefits

- **Sanitary:** Its one-at-a-time rubber dispensing gaskets safeguard lids from contamination
- **Operational efficiency:** Reduces lid waste and eliminates messy stacks
- **Space-efficient:** The in-counter mount can be oriented horizontally or vertically, keeping countertops organized
- **User-friendly:** Compatible with a variety of lid shapes and sizes
