Franklin Machine Products

Parts and Accessories for the Foodservice Industry

The First Product In Is the First Product Out.

Wide mouth openings on both ends provide for sanitary food rotation, fast and easy refills, and easy cleaning. Unique tripod stand keeps product ready to dispense and eliminates strainful repetitive motion.

- Includes a clear label cap

MULTI-PURPOSE FIFO BOTTLES

For the most popular condiment, sauce, and topping thickness. 

- Clear plastic dispensing cap with yellow valve

- No. 280-1802** 12 oz
