

# FlexDose

Portable Waterless Dispenser

The Only Hand Pump You'll Ever Need

**DEMA**<sup>®</sup>

**FlexDose** is designed to precisely dose sanitizers, disinfectants, and any other vital cleaning chemicals for a wide variety of applications. With durability in mind, FlexDose is reusable for long term installations, unlike traditional hand pumps. It's capable of dosing accurately in five increments: 1/16, 1/8, 1/4, 1/2, and 1oz and features a unique anti-reverse pump, eliminating partially dosed chemicals. FlexDose is easy to use like any hand pump but lasts longer and provides extremely accurate dosing capabilities!

## Why use FlexDose?

- Guaranteed delivery regardless of cleaning chemical viscosity
- Precise dosing design for critical use with sanitizers and disinfectants
- Anti-reverse design avoids costly partial dosing
- Fits on any ½ or 1 gallon bottle with a standard 38mm neck

## Dilution Reference Chart
