EXCELLENT FOR: Cracks & holes, foundation & concrete repairs, seal out rodents & pests, bath & shower repairs, indoor & outdoor projects, roof repairs, RV & motorhome repairs, auto & boat repairs, lawn & garden projects, & more.

WATCH COMMERCIAL

"CREATES A STRONG, WATERTIGHT BARRIER THAT BENDS AND STAYS FLEXIBLE."

- Stay Fresh Container - blocks out air and locks in freshness to extend the sealing power of Flex Paste, with no waste.
- Clings to the surface and instantly fills large gaps, cracks, and holes.
- Can be applied underwater and it even dries underwater.
- Helps prevent rust and corrosion.
- It can be shaped, molded and painted.
- Can be pushed into hard-to-reach areas to keep pests out.
