Textured Tumblers

In our increasingly complex world, textured tumblers offer us a window into simpler times. Perfectly classic and timeless in style, these tumblers remind us of outings to the pizza parlor, mini golf, the deli around the corner, where we'd gather with friends over fun, food and drink. The textured surface helps hide fingerprints and scratches, too!

Stackable Textured Pebble

BUFFET & SALAD BAR

Bugambilia® Fit Perfect™ Cold Bar System

**Go from Dingy
and Dented to
Clean and Bright
with Fit Perfect™**

What is Fit Perfect™?

It's the easiest way to replace existing stainless steel food pans for a more refined presentation and overall improved operations.

Switches 1-for-1 with standard stainless steel food pan sizes

Patent-pending spacer (adapter) bar design locks pans in place to prevent falling and shifting.

Bugambilia® resin-coated aluminum maintains food-safe temperatures longer than stainless steel, delivering a fresher product.

No more banging on counters to separate food pans, just stack and store.

Effortlessly create different layouts with easy-lift corners.

Bugambilia®

“*Bugambilia® is by far the most durable food safe container on the market today. The variety of shapes, sizes, and colors allow us to be creative as well as cost-effective with volume production portion control with salad choices. All the items we carry are heavily used on our banquet events, and we have a ton of banquets. Their strongest point is the fact of wear and tear. I can truly say at this point we have reached our return on our initial investment.*”
