

# A New Slant on Refrigerated Wells

**NEW** option  
of a 5° tilt

CWB-2 with slant option,  
accessory food pans and pan supports (also shown SGCP-42)

Not only easier access but improved visibility for all your pre-chilled food products with the **NEW** slanted option, available with the complete line of Hatco's Refrigerated Drop-In Wells and Ice Wells. These Hatco wells provide that optimum freshness and taste in one efficient and easy operation.

**Choose this **NEW** option when you order your Hatco Refrigerated Drop-In Well or Ice Well with these features:**

- Top Mount with **one through six pan configurations**
- Optimal insulation on sides and bottom to ensure **better cold retention and cost savings**
- Bezel design allows **clear viewing and easy food access**
- **Environmentally friendly** and **easy serviceability**

- Large 1" brass drain with flat screen **simplifies cleaning**
- **One year on-site parts and labor warranty** (US and Canada)
- See the **CWB or IWB Specification Sheets** on our website for full Options/Accessories
