

Hirsh[®]

Education Solutions

MAXIMUM VERSATILITY

Today's schools require adaptable storage that supports many learning styles. Hirsh® offers a wide range of steel desking and storage options for classrooms and administrative offices.

Attractive, versatile products keep everyone organized from students and teachers to administrative staff and custodial personnel.

FLEXIBLE FURNITURE

Schools need flexible furniture that can be configured and rearranged to meet evolving needs in the classroom and throughout the school building.

MULTIPURPOSE STORAGE

Hirsh® metal storage solutions are built for high-volume, daily use. Classrooms, offices and storage rooms will benefit from our large assortment of multipurpose storage products.

MOBILE SOLUTIONS

Classrooms need to easily transition between layouts that support a variety of learning methods. Many Hirsh® products are designed with wheels for quick configuration changes.

HUXLEY™ STORAGE SYSTEM

Design a workspace with plenty of storage to keep equipment and supplies neat and organized. The Huxley™ Storage System features bin units and doored units that combine to create a modular, flexible storage system ideal for education environments. Pull-out bins allow users to transport the tools they need to their workspace.

MOBILE PODIUM

Add a mobile and locking podium option to any classroom or presentation space. Two adjustable shelves and one fixed shelf provide storage behind a locking door. Features an adjustable height laminate top and durable casters.

Book Cart

Utility Cart

BOOK CARTS & UTILITY CARTS

Mobile storage keeps the classroom tidy and makes it easy to transport books and learning materials around the classroom and down the hall.

Janitorial Cabinet

Shelving

Bookcase

BOOKCASES, SHELVING & STORAGE CABINETS

Whether it's the classroom, front office or janitor's closet, schools can never have enough storage. Fill a wall with bookcases or line a supply closet with shelving units and storage cabinets. Cabinets are available in Janitorial, Wardrobe, or Storage configurations.

Vertical Files

Mobile Pedestal Files

Lateral Files

FILE CABINETS

Organize documents and supplies with the help of Hirsh® file cabinets. Mobile pedestal files keep everything within easy reach while vertical and lateral files provide ample storage space to keep paper clutter at bay. The large drawers of lateral files are excellent for storing binders, school supplies and classroom equipment.

An organized classroom begins with **Hirsh®**

Smart Storage

Bookcases and open shelving organize learning materials while keeping them within easy reach.

Space To Collaborate

Foster a collaborative learning environment by grouping open desks into clusters.

Secure Storage

Maximize an empty corner with the addition of a storage cabinet. The locking door will secure electronics and fragile items when not in use.

Tidy Work Stations

Store supplies within easy reach by positioning mobile cabinets with pull-out bins next to each desk. Categorize supplies into labeled bins or assign each student their own bin for storing their projects.

Mobility Is Key

A mobile and locking podium option to any classroom or presentation space.

ENDLESS STORAGE POSSIBILITIES

From classrooms and makerspaces to storage rooms and staff offices, versatile desking and storage solutions are important in every area of a school. Design a space with plenty of storage to keep equipment and supplies neat and organized using Hirsh commercial-grade products engineered to withstand heavy daily use.

Desks Designed For Teachers

Add flexibility to the classroom with a mobile teacher's desk that is easy to roll around the room whenever it's time to reconfigure the space.
