Give the Entire Office a Raise

Talk about employee perks. Transform any worksurface into sit-to-stand with our 2-or 3-stage bases that promote healthy postures and improved focus while boosting morale. The big bonus? Its ability to support settings ranging from open and private offices to meeting spaces.

A. Winning Touchdown Space

Come on now, even nomads deserve a healthy place to squat between meetings.

B. Healthier Way to Work

Invite movement into every office and watch fresh ideas come to life.

C. Rise to the Occasion

Perfect for those executives who want to stay active, but are too busy to hit the gym at lunch.

Bending To Your Will

Built-in flexibility better than a yoga pose. Coordinate rectangle or corner cove surfaces come in a variety of sizes to fit anywhere. Optional features such as wire management and multiple control options add mobility, convenience, and tech support that's useful by any stretch.

Change Of Pace
Add variety to your work life with a 2-leg base with a rectangle worksurface or a 3-leg base with a corner cove worksurface that ranges from 21 ¾"H to 47 ½"H.

Options

Expand Your Horizons
Sprawl out or cozy up, it's your call. Coordinate bases work with 23" to 30"D and 24" to 96"W worksurfaces. Worksurfaces larger than 58"W require external stiffener.

Back To The Bases
Enhance your office look with the T-Base and C-Base options.

More The Merrier
Coordinate with more options than ever! Change up your office aesthetic with 6 new control options; basic, memory, paddle, rotator, wireless and hands free.

*Controlled with the AiDesk smartphone App

Commitment Issues
So you want height adjustability but love your desk? No worries. Coordinate desktop units transform any desk into a sit-to-stand workstation in minutes.

Power Module
Bring power directly to the worksurface.

Under Worksurface Power Module
Four side access outlets make it easy to connect to power.
