Just roll it out and it's ready to go! Sliding tiles connect to frames, hook on the panels and you're all set..

Introducing THE HUB. Simplicity and innovation, like never before; a magical buffet for both indoor and outdoor venues. At Eastern, we like to keep things simple. We work complex innovations into quality, yet easy-to-use products that are a delight to operate. The Hub is the newest add-on to our popular Rolling Buffets, a complement to Eastern's extensive line of chafing dishes and quality buffetware.

At Eastern, we get it. It's beautiful. It's easy. It's party time.

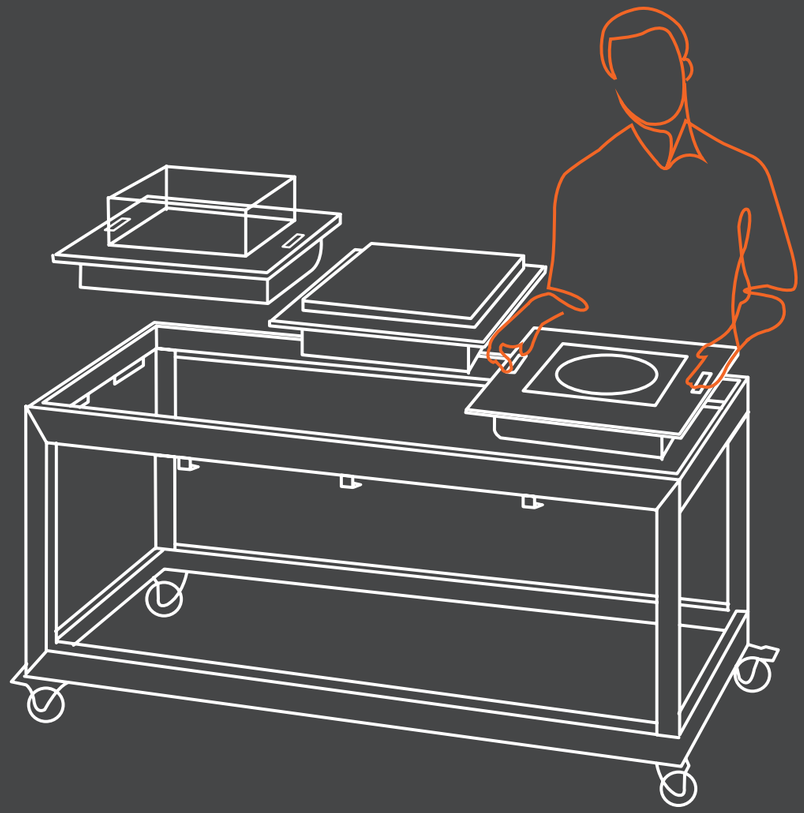

At your service,

Sol Basch

President

THE HUB

BUFFET SYSTEM

INTRODUCING

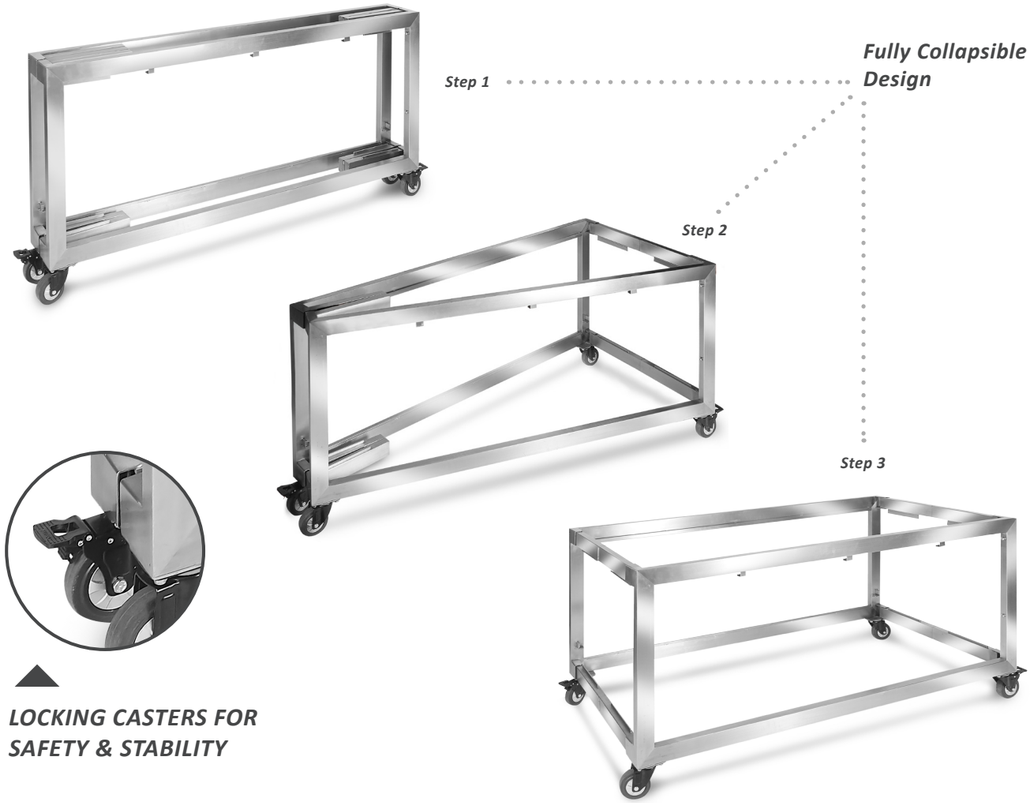

THE HUB BUFFET SYSTEM

The latest in design genius and functionality, Eastern's Buffet Hub is a bona fide rockstar that serves as the focal point of any buffet. It seamlessly allows for change of function, from action to display, from mid-day casual to snazzy cocktail bar, from stainless steel to pop of color. Anywhere. Any time.

THE HUB FRAME

Maximum Quality. Maximum Function.

The Hub frame is made from a durable, matte stainless steel construction that swiftly folds away for easy storage and transportation. Heavy-duty, locking casters allow for smooth wheeling and stability on every surface. Slim design—folds to 7”

LOCKING CASTERS FOR SAFETY & STABILITY

For order details see specifications page 26

QUICK & SIMPLE SETUP

REVERSIBLE SHELF

THE HUB SHELF

Easy Setup. Easy Maintenance.

The reversible Black/Textured laminate shelf with metal frame swiftly slides into sturdy brackets. Made from waterproof laminate for easy wipe-away cleaning.

For order details see specifications page 26

THE HUB XYLO FRAMES

From Ordinary. To Extraordinary.

Eastern Tabletop's custom XYLO table frame finishes add a pop of color and set the tone for any event. Customize your buffet to enhance and beautify your existing facilities. Choose from **Black, Copper** and **Bronze XYLO** finishes!

FLAT HIDDEN HANDLES FOR EASY LIFTING & TILE PLACEMENT

***Induction & Built-up Ice Bin tiles only.**

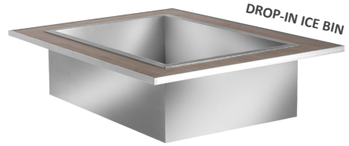

THE HUB DROP-IN TILES

Maximum Functions. Minimum Time.

The Hub drop-in tiles allow you to switch buffet functions in a fraction of time. Create customized set-ups with different tile combinations. Go from warm cooking to cold display with ease. Flat hidden handles line either side of the tiles for easy lifting and tile transport.

THE HUB CORNER EXTENSION

The Art of Buffet. The Science of Innovation.

Combine a self-standing station to form a full-fledged buffet. Add the smooth, rounded corner table to seamlessly integrate multiple stations for a modern and sophisticated set-up. Locking casters add safety and stability. The corner table is made of stainless steel construction with 3 reversible Textured/Black laminate shelves.
