

Ceiling Mounted Warmers & Luminaires

Description:

Single warmer fixture available in 4 different mounting styles: **Retractable** (-RET), **Corded** (-C), **Small Rigid Tube** (-SMT), and **Large Rigid Tube** (-LGT). Our warmers come in 8 distinctive shade styles and 6 different finishes to match any décor. In Addition to food warming, our lamps can also be configured for decorative lighting purposes. All fixtures are constructed using the finest materials and components. Lamp body and switch holder are constructed from heavy gauge spun aluminum. Standard finishes include: **Black** (-BK), **Stainless Steel** (-SS), and **Chrome** (-CH). Premium finishes for an additional charge include: **Smoked Copper** (-SC), **Brass** (-BR), and **Bright Copper** (-COP). All finishes are non-tarnishing, require no polishing and are easy to clean. All internal components including lamp socket and wiring are high temperature rated (200°C). Each shade style is available with all mounting types*. All units **EXCEPT** the **(-LGT)** can be track mounted onto an electrical track and are all available with or without a switch.

***500** Shade Style only available on rigid mounts (-SMT) & (-LGT) Models

Accessories (Must be ordered separately):

- "H" Compatible track
- "H" Compatible track fittings
- Additional Teflon Coated Heat Bulbs

Standard Features:

- 4 different mounting styles to choose from
- 8 Different Lamp Shade Styles
- 6 Different Finishes: **Black, Stainless Steel, Chrome, Smoked Copper, Brass, & Bright Copper**
