

## LAYERS

Build a foundation of warmth with under layers that flex and move with you. These aren't your grandpappy's long underwear - our base and mid-layers are designed for performance and ultimate protection.

#### ADDED WARMTH

Our heavyweight mid-layers are 85% warmer than lighter base layers to give you a lot more warmth for the coldest jobs.

Help a jacket, bib overalls or pants feel 7°F - 15°F warmer, depending on activity.
