## LED AREA LIGHTS

### FLOODLIGHTS HEAVY-DUTY

#### BEACON LIGHT LE965LEDC 30W RECHARGEABLE PORTABLE LED FLOODLIGHT

When you need bright light but do not have access to a power outlet, you can rely on the battery-powered Beacon Rechargeable LED floodlight. Perfect for any contractor or maintenance manager, the Beacon LE965LEDC will provide up to 26 hours of crisp bright white light to help you get your job done safely and efficiently. The Beacon Light is the only portable LED floodlight on the market that is built strong enough to withstand the toughest environments without compromising on high-quality light output.
