

LINDENWOOD
COLLECTION™

Add an earthly elegant look to your table or buffet with our new Lindenwood Collection™.

This range features the look of natural wood with the durability and cleanability of melamine.

Natural tones create a unique palette for food presentation. Great for serving meat and cheese boards, entrees, desserts and more! The raised display design adds height and dimension to your setting while the integrated notch makes it easier to place on the table. Platters include growth ring channels and decoration to resemble real wood.

- Safe for holding food up to 212° Fahrenheit
- Lightweight, durable melamine
- Available in three diameters: 9½", 11" and 13"
- Dishwasher safe, easy to clean
