

STEEL UTILITY CART

ADJUSTABLE-HEIGHT STEEL UTILITY CART UCMTI

This popular multipurpose utility cart will securely store and transport your cargo from room to room. The steel construction and robotically welded shelves ensure long-lasting durability in tough environments.

Textured mats and retaining lips keep shelf contents securely in place while the adjustable top shelf can be set from 24" to 42"-thick and includes a three-outlet electrical assembly for convenient power access. This mobile cart is also easy to maneuver and can be quickly stabilized thanks to four 4" full-swivel casters, two with locking brakes.

Specifications:

- Overall dimensions: 24" W x 18" D x 24" H (adjustable to 42"H in 2" increments)
- Shelf dimensions: 24" W x 18" D
- Weight capacity: 300 lbs. total (100 lbs. per shelf, evenly distributed)

Features:

- Adjustable height from 24" to 42" in 2" increments
- Roll-formed shelves with .25" retaining lip
- Tables are robotically welded for stability
- Powder coat painted finish
- Rolling cart with 4" silent-roll, full-swivel ball bearing casters, two with locking brake
- Three-outlet, 15' UL- and CSA-Listed electrical assembly with cord plug snap and side-wrap hooks
- Easy-access cable holes keep the cart organized
- Includes safety mat
- Available with locking steel cabinet and/or drop leaf side shelves
- Multiple color options
- Easy assembly
