

STEEL CARTS

ADJUSTABLE HEIGHT STEEL UTILITY CART - SLIDING KEYBOARD SHELF

Easily transport important items with Luxor's bestselling multi-use cart. The height-adjustable cart adapts to various environments, and the pull-out keyboard shelf aids laptop use, yet tucks neatly away for storage and transit. When relocating to a different area, an anti-slip pad on the top shelf secures cargo. Additionally, all three shelves include retaining lips to ensure safe stowing. With ample shelf space and a durable steel construction, this USA-made cart is an indispensable tool in a wide variety of office, commercial, education, and healthcare settings.
