

MotorScrubber **ACCESSORIES**

PADS

All our pads are custom made for MotorScrubber using high grade materials giving an exceptional finish on every task.

MELAMINE

Using just water this amazing new material sucks dirt out of any smooth washable surface. Ideal for porous stone floors and washable painted surfaces.

CODE: MS1070

MAROON STRIP

This super abrasive material is able to strip polish using just water. Ideal for restoring many floor types such as vinyl, alto and more.

IMPORTANT: Always try a test patch first. This pad will make the floor go dull, use Twister™ Diamond afterwards to build a shine.

CODE: MS1069

CRYSTALLISER

Stainless steel pad for crystallising marble. This simple 2 step process lets you achieve a mirror shine; Apply MotorScrubber crystallising chemical to surface and use the crystalliser pad until dry. Use a new pad to lock in the shine and achieve an exceptionally hard wearing mirror finish.

CODE: MS1071

DIAMOND TWISTER™ PADS

For Marble, Granite, Terrazzo & Concrete Floors, Just Add Water.

STEP 1 WHITE SCRUB + RESTORE

White Twister™ will remove stains and scratches from marble giving you a fresh new layer.

CODE: MS211763

STEP 2 YELLOW SHINE BUILDING

Yellow Twister™ will start to build a shine.

CODE: MS211760

STEP 3 GREEN HIGH SHINE + MAINTAIN

Once the above 2 steps have been completed, simply add shine and maintain with Green Twister™.

CODE: MS211759

STEP 4 CRYSTALISER MIRROR SHINE

Use Crystalliser for the highest shine possible.

CODE: MS1071
