POWERED

Reliable Performance

Oxy-Gen Powered is the only technology that guarantees the delivery of fragrance in the air continuously, consistently and accurately for the entire duration of the cartridge life.

This precise technology is based on a fuel cell technology that is used in the pharmaceutical industry to deliver drugs to human beings and animals.

Oxy-Gen Powered technology is **simple, reliable and cost-effective.**

2 AA Alkaline batteries that last upto 1 year

Silent Operation

Audio Buzzer ON/OFF switch to indicate cartridge and battery life

Can be positioned at any height

Oxygen generator

30/60/90 Days selector switch

Visual light indicators provide cartridge and battery replacement reminders

Dispenser working well
Replace Cartridge
Replace Batteries

“Another great feature of the product is the management and reminder system as it alerts when the cartridge needs to be replaced. One less problem to worry about!”

Two Year Warranty on the dispensers

Fragrant Odor Control Cartridges with Neutra-lox odor counteractant

bloom

An exotic floral scent of night flowering jasmine, orange blossom and gardenia.

crush

An exotic mix of pineapple, tropical fruits and coconut.

glow

Juicy black cherries, with a hint of almond, plum, vanilla and cinnamon spice.

spa

A fresh, invigorating scent with fragrant lavender and spicy herbs.

tang

An intensely fruity perfume with hints of orange supported by warm spices.

adore

A sophisticated fragrance that combines fresh apple notes with amber and spices.

One Dispenser...

Oxygen-Pro is the perfect odor control system for any establishment as the user can program the dispenser to work for 30, 60 or 90 days, and can select different fragrance intensity levels with the flexibility of two different cartridge sizes to choose from.

.. and two cartridges

Economical

The **Regular cartridge** works for 30 days and is the ideal choice to replace aerosols, gels, sprays or other passive systems. The cartridge contains 18 ml of pure fragrance oil which amounts to about 4 times more fragrance oil than a standard metered aerosol can.

Lowest Cost-in-use

When using the **Grande cartridge**, the dispenser can be programmed to work for 30 days, 60 days or 90 days. The cartridge contains 32 ml of pure fragrance oil, that is approximately 7 times more fragrance oil than a standard metered aerosol can. The fragrance intensity can be changed to a strong (30 days), normal (60 days) or (90 days) mild scent.

Regular Cartridge
30 Days

***Two years shelf life
for the cartridges**

Grande Cartridge
30/60/90 Days

The dispenser automatically detects the Grande cartridge and works as per the chosen setting. The Regular cartridge works for 30 days immaterial of the programmable switch position.

The Oxygen-Pro cartridges are available in a wide range of fragrances and are compliant with CARB, EU, IFRA and REACH regulations.

* 2 years from the date of manufacture printed on cartridge

charm

A fantasy melon fragrance modified with cool green notes, a hint of citrus and a slightly floral background.

glee

An invigorating scent of green apple and pear softened with peach and pineapple.

spring

Intense floral notes of ylang, lavandin and geranium with hints of fresh cologne and lemon.

zeal

A vibrant, bubbly scent of lime, lemon and grapefruit.

zing

A freshly sliced, mouthwatering mandarin fragrance sweetened by lush, juicy orange.

flair

A pure, clean fragrance of delicate florals and watery notes.

Effective Fragrant Odor Control

All Oxygen-Pro Fragrant Odor Control Cartridges contains Neutra-lox, our proprietary odor eliminator ingredient that is extremely effective against the smell of urine, feces, body odor, tobacco, pet malodor, kitchen odor, mold and mildew, etc.

neutra-lox malodor
eliminator

Unlike other systems that only mask odors, Oxygen-Pro cartridges eliminate odors and releases fragrance effectively.

Non-Fragrant Odor Control Cartridges With Super Strength Odor Counteractant

Non-Fragrant Odor Control Cartridges with super concentrate odor counteractant are the ideal choice for any facility that desires odor elimination with Very Low or No fragrance, such as health care facilities, hotels, etc.

neutra-lox super
odor eliminator

With a hint of lemongrass fragrance, this is the ideal choice for areas where high odor elimination is required with Very Low fragrance, just as an indicator.

kleeer natural
odor eliminator

With no added fragrance oils and a 100% natural plant oil base as the active ingredient to neutralize a broad spectrum of odors. Kleeer Natural is the ideal choice for areas where No Fragrance is desired.

Buzzer Switch

Oxygen-Pro Dispenser with
Grande cartridge

Regular Cartridge
30 Days

Malodors have decreased significantly, leaving a pleasant fragrance surrounding the care home.

Safe

With **no added solvents** and **no alcohols**, the Oxygen-Pro cartridges contain **100% pure fragrance oil** and are a safe choice for any facility. Since the cartridges are not pressurized containers, they are safe to transport and store.

Eco-Friendly

Unlike aerosols, the Oxygen-Pro system does **not contain any CFCs**, has **no added VOCs or propellants**, no 'spray and fade effect' and 'no noise'.

Oxygen-Pro is a Carbon Footprint approved product that has been independently assessed and verified for emissions and energy consumption, making it a reliable and an eco-friendly product.

Grande Cartridge
30/60/90 Days

I know the washroom is clean, just because it smells so fresh.

• Malodors are eliminated • Your restroom is left with a clean, fresh scent

Easy To Install & Service

The dispenser can be easily mounted on the wall using double-sided tape or screws. The simple push and go format ensures that it is easy to replace cartridges or batteries.

Step 1	Insert the battery Open the battery compartment and insert two AA alkaline batteries.
Step 2	Remove the paper sleeve Remove the protective paper sleeve and discard it.
Step 3	Activate the cartridge Activate the cartridge by rotating the knob counter-clockwise to 'ON' position until it clicks. Make sure the knob is pointing towards 'ON'.
Step 4	Insert the cartridge into the dispenser Push the cartridge firmly into the dispenser, until it locks into place.

“Servicing Oxygen-Pro is so easy with no complicated programming. It takes just a few seconds to fit a new cartridge.”
