Aluminum Foil and Film

Foil dispenser rolls

Reynolds® oven-safe foil helps lock in heat, moisture, and flavor, keeping your food fresh and delicious. Looking for an extra heavy-duty line to use for grilling? We've got that along with standard, heavy-duty and our economical Metro line to meet your specific operator needs.
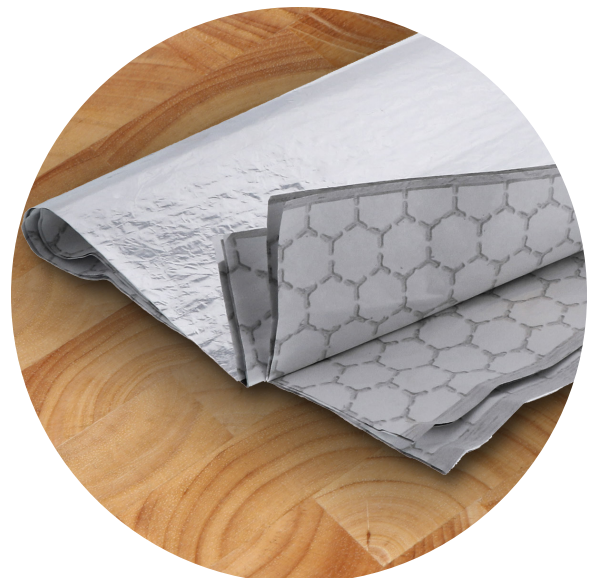

Foil pop-up sheets

Available in common industry sizes, these pre-sized pop-up sheets are smaller and easier to grab than larger aluminum rolls and take up less space.

Cushion-fold foil wraps

Select our cushion-fold foil wraps for extra heat retention, the laminated foil provides superior insulation and absorbs moisture to help prevent messy leaks.

Aluminum Foil and Film

Foodservice film

Our Reynolds® film covers, seals, and stores food with ease, keeping it fresh whenever you need it. This clear film is great for merchandising bakery items, cheeses, produce, sandwiches, and more! Choose from our standard metal serrated cutter, safety edge grit cutter, or upgraded slide cutter for a smooth straight cut every time.

Pre-sized film sheets on a roll (S.O.A.R)

These perforated sheets offer a quick and clean tear and consistent sizes to reduce waste and save time and are offered in common industry sizes.
